

The 26th Annual Meeting
of the Israeli Society for Research, Prevention
and Treatment of Atherosclerosis

08-10.09.2022
Pastoral Kfar Blum Hotel

ההסתדרות הרפואית בישראל - החברה לחקר, מניעת וטיפול בטרשת העורקים
Israel Medical Association - Society for Research,
Prevention and Treatment of Atherosclerosis

Thursday 8/9/2022

14:00-14:30 Registration
14:30-14:45 Welcome

14:45-16:30 Session 1: Short Presentations

- Chairpersons: [Elena Izkhakov](#), [Yehuda Kamari](#)
- 14:45-15:00 **Proteomic and lipidomic analysis of low-density lipoprotein identifies potential markers and therapeutic targets in early breast cancer patients**
[Rom Keshet](#), Sheba Medical Center, Tel-Hashomer, Israel
- 15:00-15:15 **Treating elderly patients with anti PCSK9 monoclonal antibodies-a real-world clinic experience**
[Ela Giladi](#), Meir Medical Center, Israel
- 15:15-15:30 **The circulating isomir-ome of increased cardiovascular risk in patients with non-alcoholic fatty liver disease**
[Nataly Makarenkov](#), Ben-Gurion University of the Negev, Israel
- 15:30-15:45 **The effect of distinct dietary interventions on proximal aortic stiffness; the DIRECT-PLUS randomized controlled trial**
[Gal Tsaban](#), Ben-Gurion University of the Negev, Israel
- 15:45-16:00 **Molecular regulation of endothelial and vascular dysfunction by PUFA-derived lactone Mediators**
[Szuchman-Sapir Andrea](#), MIGAL-Galilee Research Institute, Israel
- 16:00-16:15 **Clinical case discussion: Statin associated hepatitis-is it a class effect?**
[Noa Ebstein Karamani](#), Soroka University Medical Center, Israel
- 16:15-16:30 Guiding posters tour

16:30-17:00 Coffee break

17:00-19:30 Session 2: Lipids and Lipoproteins, Research and Clinical approach

- Chairpersons: [Ronen Durst](#), [Ossama Hussein](#)
- 17:00-17:20 **When RNA Technologies meet ASCVD Management**
[Chen Gurevitz](#), Rabin Medical Center, Israel 
- 17:20-17:40 **ASCVD Risk reduction with Icosapent ethyl**
[Cohen Hofit](#), Sheba Medical Center, Tel-Hashomer, Israel 
- 17:40-18:00 **Elevated Lipoprotein a in clinical practice: real life data**
[Barak Zafri](#), Carmel Medical Center, Israel
- 18:00-18:20 **The Role of SGLT2 Inhibitors for prevention of CVD and CHD**
[Ronen Durst](#), Hadassah Hebrew University Medical Center, Israel 
- 18:20-18:40 **Familial hypercholesterolemia and atherosclerosis genetic risk**
[Ossama Hussein](#), Ziv Medical Center, Israel
- 18:40-19:00 **Clinical case discussion: Atherosclerosis progression despite optimal statin therapy**
[Yaakov Henkin](#), Soroka Medical Center, Israel 
- 19:30-21:00 Dinner

Friday, 9/9/2022

07:30-08:45 Breakfast for hotel's guests in the restaurant
08:00-08:45 Registration
08:45-09:00 Welcome

09:00-11:00 Session 3: Plaque Progression and Regression, Oxidation, and Inflammation

- Chairpersons: [Alon Eisen](#), [Dov Gavish](#)
- 09:00-09:25 **Variability in total, basal, and bolus insulin requirements over time in patients with type 2 diabetes: a previously unmanageable clinical problem, now with a technology - based solution**
[Kevin Jon Williams](#), Temple University School of Medicine, USA
- 09:25-09:50 **The role of the MESA-Calcium Score in statin treatment allocation in asymptomatic adults**
[Joseph Shemesh](#), Sheba Medical Center, Israel
- 09:50-10:15 **Detection of the vulnerable plaque-the future of CVD prevention**
[Ashraf Hamdan](#), Rabin Medical Center, Israel
- 10:15-10:40 **Inflammation, plaque stability and future target for treatment**
[Alon Eisen](#), Rabin Medical Center, Israel
- 10:40-11:05 **Plaques regression by drugs and diet - what's new?**
[Dov Gavish](#), Shaare Zedek Medical Center, Israel 

11:05-11:30 Coffee Break

11:30-13:15 Session 4: Obesity, Nutrition and Atherosclerosis

- Chairpersons: [Demosthenes Panagiotakos](#), [Yakov Henkin](#)
- 11:30-11:55 **Adipose tissue: good or bad for cardiovascular health**
[Niki Katsiki](#), International Hellenic University, Thessaloniki, Greece
- 11:55-12:20 **Obesity and CVD: Is there a light in the end of the tunnel?**
[Hilla Knobler](#), Diabetes Institute, Meuhedet HMO, Israel 
- 12:20-12:45 **Assessing Obesity-Related Adipose Tissue Disease (OrAD) to Improve Cardio Metabolic Risk Stratification in patients living with obesity**
[Uri Yoel](#), Soroka Medical Center, Israel
- 12:45-13:10 **The association between diet in infancy and atherosclerosis in adulthood**
[Avivit Brener](#), Tel Aviv Medical Center, Israel
- 13:10-13:25 **Mediterranean diet: from a health diet to a sustainable dietary pattern**
[Demosthenes Panagiotakos](#), Harokopio University in Athens, Greece

13:35-14:30 Lunch (Opera Foyer)

14:30-15:55 Session 5: Life style, Physical activity and Rehabilitation

- Chairpersons: [Itzhak Gabizon](#), [Donna Zefat](#)
- 14:30-14:55 **Polyphenols and the brain**
[Iris Shai](#), Ben-Gurion University, Israel
- 14:55-15:15 **Metabolic adaptation to physical activity**
[Tzachi Knaan](#), Tel Aviv University, Israel
- 15:15-15:35 **Remote monitoring in cardiac Rehabilitation**
[Itzhak Gabizon](#), Soroka Medical Center, Israel
- 15:35-15:55 **Clinical case discussion - Myocardial infarction with (almost) no risk factors**
[Yaakov Henkin](#), Soroka Medical Center, Israel

15:55 Rafael Bitzur Prize for Young Investigators

18:30-21:00 Dinner for hotel's guests in the restaurant

Saturday, 10/10/2022

07:30-08:45 Breakfast for hotel's guests in the restaurant
11:30-13:30

הדרך לאורח חיים בריא:
ד"ר סיגל ביצור (אולם סימפוזי)
אנחנו חשופים למידע רב ויודעים את כל מה שיש לדעת, על אורח חיים בריא, בכל זאת קשה לנו לשנות את ההרגלים שלנו ולעשות את מה שהגיוני ונכון. בהרצאה מעוררת מוטיבציה נדבר על למה זה כל כך קשה, ומה כן אפשר לעשות כדי לשפר כל פעם קצת

13:30-14:30 Lunch (entrance by vouchers only)

14:00 Check-out in hotel's reception
