Abstract Submission

The Meeting Secretariat and Scientific Committee welcome you and invite you to submit an abstract to be included in the scientific program.

This year most of the program will be comprised of oral presentations selected from abstracts submitted by July 31th 2025.

Rules for Abstract Submission:

- All abstracts must be submitted and presented in clear English and spelling quality that is suitable for publication.
- The Scientific Committee will review all the abstracts, and once complete, you will get information about the type of presentation you will present.
- Upon submission, the Abstract Submitter confirms that the abstract has been revised, and that all information is correct. The content of this abstract can be modified or corrected until the final submission date and the author is aware that it will be published exactly as submitted.
- The abstract submission constitutes acceptance of the authors regarding its publication (e.g. meeting website, programs, other promotions, etc.).
- The Abstract Submitter warrants and represents that he/she is the exclusive owner or has the rights of all the information and content (Hereafter: "Content") provided to The 29Annual Meeting – The Israeli Society for Research, Prevention & Treatment of Atherosclerosis. The publication of the abstract does not infringe any third-party rights including, but not limited to, intellectual property rights.
- Submitted abstracts containing research by clinical trials on human or animal subjects must be approved by the Helsinki Committee or by the local Institutional Review Board.
- The organizers have the right to remove any abstract which does not comply with the above.
- Upon submission the Abstract Submitter confirms that the contact details saved in the system are those of the corresponding author, who will be notified about the status of the abstract, and will be responsible for informing the other authors about the status of the abstract

The screenshot shows the 'Authors and Affiliations' form in a web browser. The form is titled 'Authors and Affiliations' and includes a section for 'Author 1' with fields for 'First Name', 'Last Name', and 'Email'. Below this, there is a 'Submitting Author' section with a 'Name' field and a 'Submitting Author' checkbox. The form is displayed in a light blue theme with a dark blue header bar.

This screenshot shows the same 'Authors and Affiliations' form, but with a different layout or state. The 'Author 1' section is now a table with columns for 'First Name', 'Last Name', and 'Email'. The 'Submitting Author' section is also present, but the form appears to be in a different state, possibly showing a preview or a different set of fields. The form is displayed in a light blue theme with a dark blue header bar.
